

# BRÜCKEREI

**OPEN CALL FOR DANCE ENTHUSIASTS**  
**06-18.07.2026 // Tanzhaus Zürich, Switzerland**

## What is BRÜCKEREI?

BRÜCKEREI is a 2-week mentored platform for choreographic development. Initiated in 2022, it fosters artistic exchange, process-oriented research and creative experimentation. For our third edition, we seek 12 amateur dancers eager to work alongside 3 choreographers and a large group of professional dancers under the guidance of the award-winning Swiss performer, choreographer and pedagogue, Thomas Hauert. In line with Hauert's practice and expertise, BRÜCKEREI #3 will focus on improvisation as a mode of creation and performance. Hosted at Tanzhaus Zürich, this creative playground will offer you the unique opportunity to play with different choreographic ideas, enrich your movement language and expand your social network. Sketches of the research will be shared with the public during an informal showing on 18.07.2026.

## Is BRÜCKEREI for you?

You don't need any prior dance skills to join. We welcome anyone who:

- Is keen to collaborate and explore creative ideas with others
- Is up for an intensive physical challenge with many hours of movement research
- Is available from 06-18.07.2026
