

# BRÜCKEREI

**OPEN CALL FOR SWISS-BASED PROFESSIONAL DANCERS**  
**06-18.07.2026 // Tanzhaus Zürich, Switzerland**

## What is BRÜCKEREI?

BRÜCKEREI is a mentored platform for choreographic development which brings together 3 choreographers and a large pool of professional & non-professional dancers for 2 weeks of research and artistic exchange. For its third edition, BRÜCKEREI welcomes Thomas Hauert as a mentor. Under the guidance of this award-winning Swiss performer, choreographer and pedagogue, the diverse participants experiment with different ways of communicating choreographic ideas, expanding their movement language and challenging their creativity. In line with Hauert's practice and expertise, this year's edition focuses on improvisation as a mode of creation and performance. Sketches of the research are shared with the public during an informal showing on 18.07.2026.

Hosted at Tanzhaus Zürich, BRÜCKEREI #3 fosters a process-oriented mindset and a collaborative creative culture wherein inspiration is stimulated, failure is embraced and experimentation is encouraged.
