ARE YOU A DANCE ENTHUSIAST EAGER TO BE PART OF A CHOREOGRAPHIC LABORATORY? JOIN US!

What is BRÜCKEREI #2?

BRÜCKEREI #2 is a 2-week mentored creative playground bringing together passionate and hungry performance-makers and movers of all kinds. On this occasion, we seek 10 amateur dancers eager to work alongside 3 choreographers and 10 professional dancers. Under the guidance of the renowned British performer, choreographer and author Jonathan Burrows, BRÜCKEREI #2 offers you the unique opportunity to play with different choreographic ideas, expand your movement language and discover diverse artistic universes. Hosted at Tanzhaus Zürich, a leading dance facility located on the riverbank of the Limmat, BRÜCKEREI #2 fosters a process-oriented mindset and a collaborative culture wherein inspiration is stimulated, failure is embraced and experimentation is encouraged. Participation is free of charge. More information at www.brueckerei.com
